## *Ride the Peaceful Side of the Valley...*

We meet you in downtown Calistoga at 9:30am for a bike fitting and quick safety talk, and we are on the road by 10:00am. Your guide will talk about local history and will help you understand the process of making wine. We cycle along quiet country lanes to visit small, family-owned wineries. You may have the opportunity to taste some Charbono from one of only 16 wineries in the world still producing this varietal, see a racecar up close and personal, or taste some wine made by the only winemaker in the Napa Valley to receive 100 points for his wine. The route is easy and flat, which allows you to enjoy the beautiful Wine Country views. Midday we serve our gourmet picnic lunch at one of our scenic winery stops. Among the vibrant vineyards you will enjoy our lunch, which typically includes local organic greens, artisan cheeses, organic meats, fresh baked bread, orzo feta salad, seasonal fruit, dessert, and a variety of drinks. After lunch we visit one or two more wineries, often stopping at the "Shrine to Wine," famous for its art displayed on the property. After our final winery stop we head back to Calistoga, arriving around 3:30pm. Here we bid you farewell and thank you for riding with us!
