## *Private Tastings in Intimate Settings*

We pick you up at your hotel or B&B and take you for a wonderful day of wine tasting and touring the beautiful Wine Country. Our local, knowledgeable guide will talk to you about the history of wine in the valley and process of wine making. We visit small, family-owned wineries for intimate tastings—places where you won't find a crowd in the tasting room.

Our guides match their guests with wineries that will suit their individual tastes. We also like to show you some of the unusual wines you can find in the Wine Country, such as charbono, viognier, and fume blanc. There are also many organic and biodynamic wineries that we love to visit. Winery tours and cave tours are available for those who are interested.

Midday we stop for a beautiful lunch. You choose from three lunch options—a stop at a great local deli where you choose your lunch, a standard sandwich & salad lunch provided by Getaway Adventures, or a gourmet picnic lunch served on the grounds at one of the beautiful wineries!

Our air conditioned vans have room for up to 12 people and plenty of cases of wine, so come ready to explore and taste some of the world's best wine!
